## Hollypark Preview

Free entertainment for every member of the family will be provided Saturday and Sunday when Hollywood Park presents its sixth annual "Preview Days," heralding the start of the 1967 thoroughbred racing season next Wednesday.

In extending an invitation to the public, General Manager James D. Stewart announced a lineup of varied and colorful activities for the two-day open house at the "track of the lakes and flowers" in Inglewood.

Opening the program each day will be the regular morning workouts at 8 a.m., when fans may view many of their favorite thoroughbreds as they prepare for the 55-day Hollywood Park meeting. Also commencing at this time will be free bus tours of the stable area and the showing of action-packed racing movies in the Railbird Theatre.

Special added attractions this year for the children will be pony cart and merry-go-round rides, super sand boxes and a "Petting Zoo" where youngsters may become personally acquainted with some of the more fascinating members of the animal kingdom, such as goats, sheep, chickens, ducks, alpaca, llama, tapir and a baby elephant.

Five-furlong training races, simulating actual competitive conditions, will be presented at 10 a.m. In the past, these dashes frequently have provided initial public exposure for young horses who later developed into stakes stars.

Highlight of "Preview Days" both Saturday and Sunday will be the fast-paced trackside show, staged in front of the clubhouse and beginning at approximately 10:45 a.m.

This year the show will feature square dancing on horseback, displays of antique vehicles from the priceless Metlox collection, a fox hunting exhibition, ostrich races, tent pegging by the North American Flying Horsemen, a wild animal race and trick riding and roping by the world-famed Montie Montana Family.

The trackside show will be presented twice Sunday, with an afternoon performance at 2 p.m.

Upon completion of the trackside show, stable area bus tours, the showing of racing movies and children's activities will be available until gates close at 4 p.m. Visitors also will be able to inspect such areas as the jockeys' quarters, tote room, film patrol room and many areas which normally are closed to the public.

All in all, it adds up to a festive two days at Hollywood Park.

## Assignments Set For Track Meet

League assignments for preliminary meet competition in the 1966 CIF track and field meet, along with sites and starting times for prelims, semi-finals and finals, were announced by CIF Commissioner of Athletics Ken Fagan.

The four preliminary meets will be held on Saturday, May 13, at Chaffey, Mira Costa, Lakewood and Newport high schools. In all four meets, competition begins with the pole vault at 11:30 a.m. followed by other field events at noon and running events at 12:30 p.m.

Instead of two semi-final meets, as have been held in the past, one meet (giving all entrants a chance to compete on equal conditions) will be held on Friday, May 19, at Cerritos College. First running event is scheduled for 5:45 p.m.

Qualifiers from the semi-final meet will enter the CIF Southern Section, finals at Mt. San Antonio College on Friday night, May 26, seeking sectional titles on all levels (varsity, B and C) with the first five finishers in each varsity event earning a bid to the State CIF Meet in San Diego on June 2 and 3.

## Redondo Is Bay Leader

The Bay League is now a matter of whether or not South High or Inglewood can catch Redondo. Coach Jerry McIlvaine's South Spartans (7-4) moved into second place Monday by beating Santa Monica, 6-1, while Inglewood (7-5) lost to North, 6-5. Redondo had a bye.

North (7-7) was host to Redondo (8-2) today in the league's feature game of the hour. South was matched against last place Hawthorne (3-9).

Redondo's second game of the week is against Mira Costa Friday. The Mustangs Chuck Fuester who one-hit Hawthorne Monday is expected to be back for the Redondo encounter.

Dick Fouk of South pitched the team's 6-1 win over Samohi. He allowed only three hits and was aided by Jeff Wang's triple with bases full in the sixth. It broke a string of five-and-a-half scoreless innings.

Santa Monica had gone three games without a run until scoring in the seventh frame.

North scored twice in the seventh innings of its game with Inglewood to pull out a 6-5 win. Chris Farasopoulos doubled to score the winning runs.

Friday's games pit North at Santa Monica and Inglewood at Hawthorne.

## Tanner Eyes Win No. 346

Plagued by a series of rain-outs, the Southern California motorcycle racers hope to make up for lost time with a big double-header at Ascot Stadium Friday and Saturday evenings.

It will be the flat-track action on Friday evening, with the steepchangers swinging on Saturday night. Both shows start at 8:15 and will involve a total of 250 riders.

Sammy Tanner will be looking for win No. 346 when the flat-trackers cavort Friday. The veteran "Flying Flea" won the only event contested to date this season on the half-mile at 183rd and Vermont Avenue.

Tanner will find tough competition from such as Haaby, Romero, Ralph White, Mel Lacher, Mert Lawwill, Elliott Schultz and Chuck Jones.

## SIGNS USED AS TARGETS FOR VANDALS

A highway sign proved to be a costly target for two vandals whose shooting was observed by a California fish and game warden.

Warden William F. Hart, on extended patrol in Alpine County, apprehended two men as they shot a state highway sign at the junction of Highways 88 and 89 in Hope Valley.

Warden Hart took the men, ages 26 and 19, to justice court in Woodford where they entered pleas of guilty to penal code charges of shooting from a

highway and mutilating road signs by shooting. The judge fined each man \$200 and further ordered the .22 caliber automatic rifles used in the shootings to be forfeited.

Fish and game wardens have been assisting other law enforcement agencies to curb this type of shooting vandalism.

The California Division of Highways estimates that shooting losses cost the highway use taxpayer \$100,000 a year in repair and replacement costs for signs.

## Tartars Blank Morningside, 3-0

Fernley was safe on an error in the fourth as Brian Lynn trotted home.

Torrance takes a 9-2 record into its four-game showdown with runners up Beverly Hills and Rolling Hills.

## BMHS Wins Title

Bishop Montgomery High School won the Camino Real League baseball championship yesterday by defeating Permin Lasuen, 6-3, on the winners' field. By winning their 13th straight league game and handing Lasuen its third defeat, it is mathematically impossible for anybody to catch the Knights.

This is the third straight year Montgomery had won or tied for the baseball title. For the 1966-67 school year the Knights have won the football, basketball, track and field, and baseball titles. So far the school has not lost a league game in these sports.

Montgomery finishes up the baseball campaign at St. Bernard's Friday and at Crespi next Tuesday, a makeup game.

Trailing 3-0 in the fourth inning, the Knights loaded the bases and had four runners cross the plate via bases on balls against Lasuen.

Chuck Bongard and Pritchett led off with singles before the walkout took place. Danny Graham, Nels Straley, Darrell Mickelbury, Bob Comstock and Rich Perez walked and there was only one out when the four runs scored.

An overthrow gave Montgomery two runs in the fifth inning.

Chuck Desiderio gave up three runs in the second inning to Permin Lasuen. He was replaced in the third inning by Perez who blanked the Padres thereafter.

## Metro Track Finals Set For Cerritos

The Warriors finished the dual meet season with a 1-6 record.

Camino lost to Cerritos, 83-52, in the final Metro dual meet of the season, however, Charles Hart, EC's iron-man, pulled the Warriors through with a 10.2 first in the 100 yard dash, a 22.5 second place in the 220 yard dash and a second in the long jump with a leap of 21-4. Hart also anchored EC's winning 440-yard relay team which clocked in with a 43.5 first place time.
